Monday 22nd November 2021

Dear Parents / Carers

COVID UPDATE

Thank you to everyone who is phoning in and clearly following the advice that we have been asked to implement by Public Health England. Although positive cases are still in school, numbers have decreased slightly.

As the measures look like they may be starting to work, we have been advised by Public Health England to continue with them until further notice and to continue with the daily LFTs every morning before school for every child. Any child with symptoms/positive LFT must book a PCR test, along with any siblings/close contacts.

With that in mind, we have been advised to postpone the School Disco again and the Christmas Fair too. We will rearrange a date for the disco when it is safe to do so and the PTA will let us know alternative arrangements for the School Fair.

We still hope for other events planned from the 10th December onwards to go ahead. Of course, these will also be subject to Public Health England advice.

Thank you again for your support. Hopefully, the cases continue to fall and we can get back to normal soon.

Mr Parry and the Thorniest Team.
